Press Release 8th July 2009

“Womack & Womack to play live at The Jazz Café on 11th September”

The Jazz Café is delighted to announce that legendary soul superstars WOMACK & WOMACK will be performing all of their classic hits live here on Friday 11th September! This male/female duo, Linda (daughter of Sam Cooke) & Cecil (brother of Bobby Womack), had massive chart success with 'Teardrops' which reached No 3 in the charts in 1988. Other top 20 hits in the 80's include 'Love Wars', and 'Celebrate The World'.

Having previously hosted Alexander O'Neill, The Commitments and Average White Band we are delighted to add Womack & Womack to such a distinguished list. Backed by their 3 daughters called E.Q., the 80's sensations will also be supported by Sylvia Powell who has a growing reputation with her confident and mature folk, jazz and soul songs.

Director Dave Simpson said: "We're very excited to be hosting the legends of Womack & Womack here on the 11th September. You couldn't walk past a bar in the 80's without hearing 'Teardrops' and their music is still alive and vibrant today. We're expecting a full house and a great atmosphere down here to rival any of the great nights we've had over the last 8 years.

Promotions and Events Manager Chris Gillett added: 'This is a great coup for The Jazz Café, as Womack and Womack haven't toured the UK for many years. With us being the only venue in the area on this tour we're very privileged to have them here at The Jazz, and we're sure that in Sylvia Powell we have added another future star to the roster".
